Paris – May 3, 2022 - EUROAPI (the "Company" or the "Group"), a leading player in the API market, announces that all conditions required for its listing on the regulated market of Euronext Paris have now been fulfilled following the approval today at Sanofi Ordinary and Extraordinary Shareholders' Meeting of the distribution via an additional extraordinary dividend in kind of circa 58% of EUROAPI shares to Sanofi shareholders with a distribution ratio of one (1) EUROAPI share per twenty-three (23) Sanofi shares. The other condition was the approval of EUROAPI's listing prospectus by the French *Autorité des marchés financiers* ("AMF") which was obtained on March 31.

This shareholders' approval is a key step in EUROAPI's listing project which aims to reinforce its status as partner of choice for all pharmaceutical and biotech companies and enhance EUROAPI's independence from Sanofi.

Sanofi, which will remain a long-term strategic partner, has confirmed its intention to hold circa 30% of the share capital and voting rights of EUROAPI and has committed to a 2-year lock-up period. At the same time, EPIC Bpifrance, acting for the account of the French State in accordance with the *Convention French Tech Souveraineté* dated December 11, 2020 has agreed to purchase 12% of EUROAPI's shares from Sanofi and has committed to a 2-year lock-up period, while L'Oréal, Sanofi's largest shareholder, has committed to a 1-year lock-up period.

EUROAPI's first day of trading on the regulated market of Euronext Paris will occur on May 6 under the ISIN code: FR0014008VX5 and the ticker: EAPI.
