

## **EUROAPI joins the SBF 120 and CAC Mid 60 indices**

**Paris – June 9, 2022** – EUROAPI announces that it is included in the SBF 120 index and has now joined the CAC Mid 60 index, following the recent quarterly review of Euronext Paris Indices Committee.

The SBF 120 index is one of the flagship indices of the Paris Stock Exchange, consisting of the top 120 stocks listed on Euronext Paris in terms of both liquidity and market capitalization. The CAC Mid 60 index includes 60 companies of national and European importance. It represents the 60 largest French equities beyond the CAC 40 and the CAC Next 20.

As part of its quarterly review of the Euronext Paris indices, the Index Committee decided to include Euroapi in both the SBF 120 and the CAC Mid 60 indices. This decision will be implemented after markets close on Friday 17 June 2022 and will be effective from Monday 20 June 2022.

Being in both these benchmark indices is a major milestone for EUROAPI, only one month after the successful Group's listing on Euronext Paris.

**Antoine Delcour, Chief Financial Officer of EUROAPI declared:** *“We are extremely pleased to be included in both the SBF 120 and CAC Mid 60 indices, which marks a new step for EUROAPI as a listed company. This happens just a few weeks after celebrating the independence of EUROAPI with our listing on Euronext Paris, which has been overwhelmingly welcome by our stakeholders. This milestone is just the beginning of the journey as we will continue to roll-out our clear strategic roadmap to capture opportunities of the dynamic API market and unlock further value for all our stakeholders.”*

### **About EUROAPI**

EUROAPI is focused on reinventing active ingredient solutions to sustainably meet customers' and patients' needs around the world. We are a leading player in active pharmaceutical ingredients with approximately 200 products in our portfolio, offering a large span of technologies, while developing innovative molecules through our Contract Development and Manufacturing Organization (CDMO) activities.

Taking action for health by enabling access to essential therapies inspires our 3,350 people every day. With strong research and development capabilities and six manufacturing sites all located in Europe, EUROAPI ensures API manufacturing of the highest quality to supply customers in more than 80 countries. EUROAPI is listed on Euronext. Find out more at [www.euroapi.com](http://www.euroapi.com)
