- 5.1. EUROAPI's list prices are subject to change without prior notice to the Customer. If EUROAPI grants any discount, this discount only relates to the Delivery specifically mentioned in the EUROAPI PO Acceptance.
- 5.2. EUROAPI may, by giving notice to the Customer at any time up to fourteen (14) days before Delivery or the start of the performance of the Services, increase the cost set out in EUROAPI PO Acceptance to reflect any increase in costs due to: (a) any factor beyond EUROAPI's control (including without limitation, foreign exchange fluctuations, increases in taxes and duties, and increases in labor, raw and auxiliary materials, products obtained by EUROAPI from third parties, transformation cost of third parties, freight costs and insurance premiums, energy, manufacturing and shipping costs, governmental charges); (b) any request by the Customer to change the Delivery date(s), quantities or types of Goods or Services ordered, or the Specification; or (c) any delay caused by any Customer instructions or the Customer's failure to give EUROAPI adequate or accurate information or instructions.

Delay in Delivery of any Goods or performance of the Services shall not relieve Customer of its obligation to accept Delivery or performance thereof.
- 6.3. EUROAPI is entitled to Deliver the Goods and perform Services stated in EUROAPI PO Acceptance in parts and to invoice separately. Deviations in quantity of Goods Delivered or Services received from that stated in EUROAPI PO Acceptance shall not give Customer the right not to accept the Goods or receive the Services. In case of partial Delivery, Customer shall be obliged to pay the rate specified in EUROAPI PO Acceptance for the actual quantity of Goods Delivered or Services received.
- 6.4. Customer shall accept any Goods or Services that comply with the Specifications set forth in any EUROAPI PO Acceptance. Customer's wrongful non-acceptance or rejection of Goods or Services shall entitle EUROAPI to recover the full price of such Goods and/or Services, in addition to any other damages caused or costs made by such action.

Use or processing of the Goods shall be deemed to be an unconditional acceptance of the Goods and a waiver of all claims in respect of the Goods.
- 7.3. Customer may reject any Goods or Services that do not conform to the Specifications. For proper rejection of any Goods or Services, the Customer shall deliver written notice of its intent to reject the Goods or Services within seven (7) business days of receipt of the applicable Goods or of discovery of the defect (in case of latent defect) but in no event later than six (6) months from the date of Delivery of the Goods, and within twenty (20) business days of receipt of the applicable Services, together with a written indication of the basis for such rejection. If such notice is not delivered within the specified period of time, any such Goods or Services shall be deemed accepted by the Customer.
- 7.4. If any complaint about the Goods is received in accordance with Section 7.1 or 7.2, determination of whether or not Delivered Goods conform to the Specifications shall be done solely by analyzing the samples or records retained by EUROAPI and taken from the batches or production runs in which the Goods were produced in accordance with the methods of analysis used by EUROAPI. Goods that EUROAPI consents in writing to be returned shall be returned to EUROAPI at the risk of Customer, to the destination directed by EUROAPI.
- 7.5. Defects in parts of the Goods stated in EUROAPI PO Acceptance do not entitle Customer to reject the entire Delivery of the Goods. Complaints, if any, do not affect Customer's obligation to pay in accordance with Section 5. Upon receipt of a notice of defect, EUROAPI is entitled to suspend all further deliveries until the complaints are established to be unfounded and/or refuted or until the defect has been totally cured.
